The meeting was called to order by the President at 7:10 PM

AGENDA:

- 1. Fly-In**
- 2. Internet**
- 3. Community Gates**
- 4. Boat Docks**
- 5. Runway**
- 6. Road Paving**
- 7. Eric Lee**
- 8. Construction**
- 9. Thefts from Property**

- 1. Fly-In:** The board would thank to thank everyone in the community for all their hard work on the fly-in. Feedback from visitors was great. We did see reduced turn out due to the overlap with Triple Tree. The board would appreciate community input on alternative days.
- 2. Internet:** Temporary splices have been put in place for the two lines that were cut on Chick Drive, and permanent repair is scheduled. The lines that were broken were buried very shallow (2-3" inches), and CenturyLink is being contacted to make sure the new lines are buried deeper.
- 3. Community Gate:** Quotes on the gates are pending.
- 4. Boat Docks:** The board is pursuing quotes for cameras on the dock areas.
- 5. Runway:** The board asks that those who live on the runway to place sprinklers to spray the new seed where possible. We are also pursuing additional quotes on an irrigation system for the runway. A handheld radio will be purchased and placed in the shed so that anyone operating the mower can use an aviation headset to monitor aircraft taking off or entering the pattern to land.
- 6. Road Paving:** Road paving is nearing completion. If you have any questions or concerns about the paving, talk to the pavers in person ASAP.

7. **Eric Lee:** The board requests HOA members sent the BOD their opinion of allowing Eric Lee to join the HOA. The BOD will be sending out an email with more details about the request.
8. **Construction:** The board asks that those homeowners that are currently building be mindful of how water is draining and moving across their property. We want to avoid damage to the newly paved roads.
9. **Recent Thefts:** Be aware that several thefts have occurred recently in the airpark (headsets from an aircraft and a drill left outside a garage). Please keep an eye out for suspicious individuals in the area.

Having no further business meeting was adjourned at 8:50 PM
